

Pennsylvania Survey Results

Q1 The candidates for President are Democrat Barack Obama and Republican Mitt Romney. If the election was today, who would you vote for?

Barack Obama..... 52%
Mitt Romney..... 40%
Undecided..... 8%

Q2 Have you completely made up your mind who you're voting for President, or are you still deciding?

Completely made up your mind 91%
Still deciding..... 9%

Q3 Do you think things in our country are headed in the right direction, or are they off on the wrong track?

Right direction..... 45%
Wrong track 48%
Not sure 7%

Q4 The U.S. Environmental Protection Agency, or EPA, is the primary federal government unit responsible for curbing air and water pollution and holding polluters responsible for their actions. Do you support or oppose the work of the EPA?

Support..... 64%
Oppose..... 24%
Not sure..... 12%

Q5 Do you believe that the EPA should protect the air we breathe and the water we drink with safeguards that hold corporate polluters accountable for the pollution they release into our communities, or not?

The EPA should implement safeguards that hold corporate polluters accountable 81%
It should not..... 13%
Not sure..... 6%

Q6 One candidate for President supports EPA standards to reduce toxic mercury pollution from power plants; the other candidate says these limits would be bad for business and EPA should not reduce mercury pollution. Would you be more likely to vote for a candidate who supports EPA standards to reduce toxic mercury pollution or one who opposes them?

A candidate who supports the EPA mercury pollution standards..... 64%
A candidate who opposes them..... 22%
Not sure..... 14%

Q7 One candidate for President supports EPA standards to reduce dangerous carbon pollution from power plants; the other says that these limits would be bad for business and EPA should not limit carbon pollution. Would you be more likely to vote for a candidate who supports reducing carbon pollution or one who opposes them?

A candidate who supports the EPA carbon pollution standards..... 64%
A candidate who opposes them..... 26%
Not sure..... 10%

Q8 One candidate for President says we should support clean energy with incentives in the wind and solar industry; the other candidate says wind and solar should not get that kind of support. Would you be more likely to vote for a candidate who supports tax incentives for wind and solar power or one who opposes them?

A candidate who supports tax incentives for wind and solar power..... 64%
A candidate who opposes them..... 28%
Not sure..... 8%

Q9 One candidate for President supports fuel efficiency standards that will nearly double the distance the average car can travel on a gallon of gas. The other candidate opposes these standards. Would you be more likely to vote for a candidate who supports fuel efficiency standards or one who opposes them?

- A candidate who supports fuel efficiency standards*..... 66%
- A candidate who opposes them*..... 25%
- Not sure*..... 9%

Q10 One candidate for US Congress supports EPA standards to reduce toxic mercury pollution from power plants; the other candidate says these limits would be bad for business and EPA should not reduce mercury pollution. Would you be more likely to vote for a candidate who supports EPA standards to reduce toxic mercury pollution or one who opposes them?

- A candidate who supports the EPA mercury pollution standards*..... 64%
- A candidate who opposes them*..... 23%
- Not sure*..... 13%

Q11 One candidate for US Congress supports EPA standards to reduce dangerous carbon pollution from power plants; the other says that these limits would be bad for business and EPA should not limit carbon pollution. Would you be more likely to vote for a candidate who supports reducing carbon pollution or one who opposes them?

- A candidate who supports the EPA carbon pollution standards*..... 63%
- A candidate who opposes them*..... 26%
- Not sure*..... 11%

Q12 Energy generated from wind power is a growing source of clean electricity in the US, creating jobs while reducing pollution. Some in Congress support extending tax incentives that help wind power producers compete. Others in Congress oppose tax incentives for wind power. Would you be more likely to support a Congressional candidate who supports extending tax incentives for wind power, or one who opposes them?

- A candidate who supports expanding tax incentives for wind power*..... 61%
- A candidate who opposes them*..... 29%
- Not sure*..... 9%

Q13 Water and air pollution caused by fracking, a method of drilling for natural gas that involves injecting chemicals into the ground, have surfaced as a major concern in many communities across Pennsylvania and America. Do you agree or disagree that natural gas drilling companies should have to disclose the chemicals they inject underground in the drilling process because of the public's right to know about the health risks posed by these chemicals?

- Agree*..... 78%
- Disagree*..... 14%
- Not sure*..... 9%

Q14 If you are a woman, press 1. If a man, press 2.

- Woman*..... 49%
- Man*..... 51%

Q15 If you are a Democrat, press 1. If a Republican, press 2. If you are an independent or identify with another party, press 3.

- Democrat*..... 50%
- Republican*..... 38%
- Independent/Other*..... 12%

Q16 If you are white, press 1. If African-American, press 2. If other, press 3.

<i>White</i>	82%
<i>African-American</i>	12%
<i>Other</i>	6%

Q17 If you are 18 to 29 years old, press 1. If 30 to 45, press 2. If 46 to 65, press 3. If you are older than 65, press 4.

<i>18 to 29</i>	18%
<i>30 to 45</i>	24%
<i>46 to 65</i>	38%
<i>Older than 65</i>	20%
