

# Climate Plan Analysis -- Transportation Sector

## Administrative Action

Candidate	Donald Trump	Joe Biden	Bernie Sanders
<b>Vehicle Emission Standard (light- and medium-duty)</b>	The administration is attempting to <b>roll back</b> California's authority to set stronger standards and is currently finalizing rollbacks to existing standards.	"he will work to develop a new fuel economy standard that goes beyond what the Obama-Biden Administration put in place... aimed at ensuring 100% of new sales for light- and medium-duty vehicles will be electrified"	"Our administration will work with schools, transit agencies, cities, states, and private companies to establish standards for auto manufacturing to be 100 percent sustainable by 2030."
<b>Vehicle Emission Standard (heavy-duty)</b>	The administration is offering a proposal which may preempt stronger CA standards.	"he will work to develop a new fuel economy standard that goes beyond what the Obama-Biden Administration put in place... aimed at ensuring... annual improvements for heavy duty vehicles."	None
<b>Clean Fuel Standard</b>	None	None	None
<b>Federal Procurement Standard</b>	None	"Using the Federal government procurement system – which spends \$500 billion every year – to drive towards 100% clean energy and zero-emissions vehicles."	None
<b>Candidate</b>	Donald Trump	Joe Biden	Bernie Sanders
